Date: 13/06/2025

Dear Customer

Thank you for your enquiry relating to the following products:

ELIWELL Part Number	Part description	Exemptions
OTBM22R	FREE Optima Blind 22 I/Os, 2 RS485	6(c); 7(a); 7(c)-I

The European Directive 2002/95/EC on the Restriction of the use of certain Hazardous Substances in electrical and electronic equipment (the RoHS Directive) requires that Member States shall ensure that, from 1 July 2006, new electrical and electronic equipment put onto the market, does not contain amounts of certain substances in excess of those detailed in the Annex to the Directive including amendments.

ELIWELL has also reviewed the RoHS Re-cast Directive 2011/65/EU published on June 8, 2011, for the electrical and Electronic Equipment that may be affected by this Directive.

ELIWELL has also reviewed the RoHS Delegated Directive 2015/863/EU published on March 31, 2015, for the electrical and Electronic Equipment that may be affected by this Directive.

ELIWELL has completed the review of the materials and processes used in the above noted product(s). ELIWELL can certify that, so far as we are aware having taken reasonable steps to verify, all of the above noted products are comply with the Directive 2011/65/EU in conjunction with the Directive 2015/863/EU and the most up-to-date Annex II (substances with restricted use referring to Article 4, paragraph 1, and maximum concentration values tolerated by weight in homogeneous materials with the addition of the 4 phthalates), Annex III (Applications exempted from the restriction in Article 4(1)) and Annex IV.

Yours truly,

Quality Manager
Eliwell Controls s.r.l.

Note. (*1) The above declaration is based on the information presented to us by our suppliers and/or our own analysis of the chemical composition of the materials used. However, we have not routinely analysed by test the content of the materials used in these products to verify this data; (2) This letter does not constitute a variation or amendment to any contractual terms with you regarding the supply of the above listed products.*
